BOY SCOUTS OF AMERICA

Scout Release Request

INSTRUCTIONS

Scouts desiring to leave the jamboree prior to the contingent's departure or not as a part of the contingent must have a release signed by their parents and approved by the troop leader. Scouts will normally be permitted to leave only when accompanied by their parents. The form below must be used in handling all such departures.

In an emergency, it may not be possible for a parent or parents to sign the release. In this event, sufficient information must be recorded attesting to the telephone call or means of communication by which word arrived asking for the release of the Scout. This information should document the person from whom the call was received, verify telephone confirmation of the parent asking for release of the Scout, and give detailed reasons for the requested release. **Note:** All persons to whom a Scout is released must present identification.
